

download_ref_from_Ensembl

```
graph TD; A[download_ref_from_Ensembl] --> B[make_bowtie2_index]; B --> C[all];
```

A flowchart with three steps. The first step, 'download_ref_from_Ensembl', is enclosed in a dashed green rounded rectangle. A grey arrow points down from this step to the second step, 'make_bowtie2_index', which is enclosed in a solid red rounded rectangle. Another grey arrow points down from the second step to the third step, 'all', which is enclosed in a solid green rounded rectangle.

make_bowtie2_index
